Richmond, Virginia

*The undersigned initiated the transaction and
served as exclusive financial advisor to
The Great Big Greenhouse & Nursery and its shareholders.*

DOMINION PARTNERS, L.C.

“The Great Big Greenhouse had been a family business for 34 years. While it had a great position in the marketplace and wonderful employees, it was time for the company to transition to new ownership. Dominion assisted us in positioning the company for sale, attracted top quality buyers, and skillfully handled the negotiations. We are delighted that the ultimate purchaser is another family business with a similar philosophy towards customers and employees.”
